*For Dependent or Continuation coverage contact UnitedHealthcare at [www.uhcsr.com](http://www.uhcsr.com). Students enroll for this coverage and pay the premium directly with UnitedHealthcare and not with Roseman.*

*Please Note: Your coverage ends on the termination date of the coverage term for which you purchased and were enrolled. We do not send out renewal notices and you are not automatically enrolled in the ensuing academic policy year school insurance plan. You must actively enroll each year by meeting the eligibility requirements, reenrolling online and remitting your premium for the same coverage period as the student's coverage period.*

*\*Dependents of students with late degree dates that include experiential for completion of degree requirements must pay for student health insurance at \$294 per month beyond termination date.*
